

SA₂M 2020

11th SWISS APOPTOSIS AND AUTOPHAGY MEETING

Bern, September 9-11, 2020
Langhans Auditorium, Institute of Pathology
University of Bern

Program

Wednesday, September 9th, 2020

**LS₂ Satellite Symposium:
Concepts and Methods in
Programmed Cell Death and Autophagy**

18h00 – 18h10	Welcome address
18h10 – 18h40	<i>"Dos and Don'ts when Starting your own Business"</i> Chair: tba Stéfan Halbherr , PhD, Research and Development, Innomedica Jonas Zeller , PhD in Economics, Finances, Innomedica
18h45 – 19h15	<i>Flash Poster Presentations</i> - (<i>Posters will be on display the entire meeting</i>) Chair: tba 10 x 3min presentations selected from student abstracts.
19h15–	Student/Teacher "Apéro" during Poster Session I.

Thursday, September 10th, 2020

LS₂ Satellite Symposium continued

08h30– 10h00 **Main speakers: Concepts and Methods in Programmed Cell Death and Autophagy**
Chair: tba

08h30 – 09h00 **Lynn Wong**, University of Zurich – Programmed cell death

09h00 – 09h30 **Irmela Jeremias**, Helmholtz Zentrum, Munich - *In vivo* models

09h30 – 10h00 **Magali Humbert**, University of Bern - Autophagy

10h00– 10h30 **Coffee Break**

10h30– 11h00 **"Crosstalk in Academic and Pharmaceutical Biomedical Research"**

Adrian Britschgi, PhD, Lab Head, pRED, Roche

11h30– 12h00 **"Tips for publishing in scientific journals"**

Seamus Martin, PhD, Editor-in-chief, FEBS Journal

11th SWISS APOPTOSIS AND AUTOPHAGY (SA₂M) MEETING

10h00– 13h00 *Registration and poster mounting at info desk*

13h00– 13h15 **Welcome address**

13h15– 14h45 **Session I: Cancer/Autophagy/Cell Death**
Chair: tba

13h15 – 13h45 **Lynn Wong (Zurich)**

13h45 – 14h15 **Ana Martin-Villalba (Heidelberg)**

14h15 – 14h45 **Angelika Harbauer (Munich)**

...Thursday continued

14h45 – 15h00 *Short talk selected from abstracts.*

15h00 – 15h15 *Short talk selected from abstracts.*

15h15– 16h00 Coffee break

16h00 – 17h15 Session II: Autophagy

Chair: tba

16h00 – 16h30 **Mathias Peter (Zurich)**

16h30 – 17h00 **Teresa Thurston (London)**

17h00 – 17h15 *Short talk selected from abstracts.*

17h15 – 18h00 Session III: Institute of Pathology Talk - Translational Research

Keynote lecture. Introduction: Mario Tschan

Sylviane Muller (Strasbourg)

"Exploiting B cell autophagy-lysosomal dysfunctions as a therapeutic target in auto-inflammatory diseases"

18h00 – 19h30 Poster Session II - even numbers

20h00– ... Conference Dinner – everybody invited!.

("Heubühne", Bernstrasse 77, 3018 Bern; www.bienzugut.ch)

Friday, September 11th, 2020

09h00 – 10h00 **Start your day with a coffee and networking**

10h00 – 12h30 **Session IV: Cell Death & Autophagy**

Chair: tba

10h00 – 10h30 **Manolis Pasparakis (Köln)**

10h30 – 11h00 **Barbara Conradt (London)**

11h00 – 11h30 **Claudine Kraft (Freiburg, i.Br.)**

11h30 – 11h45 *Short talk selected from abstracts.*

11h45 – 12h00 *Short talk selected from abstracts.*

12h00 – 12h30 **Quick Oral Presentations**

Chair: tba

5 quick oral presentations selected from abstracts from young researchers.

12h30– 13h45 **Lunch break and Poster Session II - odd numbers**
(Sandwiches and drinks will be provided)

13h45– 16h00 **Session IV: Necro(pto)sis & Inflammation**

Chair: tba

13h45 – 14h15 **Peter Broz (Lausanne)**

14h15 – 14h45 **Seamus Martin (Dublin)**

14h45 – 15h15 **Georg Häcker (Freiburg)**

15h15 – 15h45 **Irmela Jeremias (Munich)**

15h45 – 16h00 *Short talk selected from abstracts.*

16h00 – 16h15 *Short talk selected from abstracts.*

16h15– 16h30 **Poster Prizes and Concluding Remarks**
