SPONSORSHIP BOOKLET

20-21 April 2017
Hotel Freienhof, Thun

Summary

The section Proteomics of Life Sciences Switzerland (LS²) organizes the Annual Swiss Proteomics meeting for the third time in 2017. The meeting brings together life scientists interested in proteotype research from all over Switzerland.

The focus of this meeting is to create a familiar and friendly framework where new developments in the field of proteotype research will be disseminated, providing ample opportunity for scientific exchange and networking.

The meeting will take place in the beautiful surroundings of Thun, which is the perfect setting for an intimate and stimulating meeting. An apéro and subsequent dinner will be the social highlight of this event.
