SPONSORSHIP BOOKLET

Summary

The [section Physiology of Life Sciences Switzerland](#) organizes the **Annual Swiss Physiology meeting**. This traditional meeting brings together physiologists from all over Switzerland and highlights research conducted by young physiologists, with the awarding of the prestigious prizes “Young Investigator Award” funded by the “Stiftung für Physiologie” (former Oetliker foundation).

The focus of this meeting is to create a familiar and friendly frame where new developments in the field will be disseminated, providing ample opportunity for scientific exchange and experiencing new techniques.

The one-day meeting will take place at the [College for Technic and Architecture of Fribourg](#), chaired by **Prof. Zhihong Yang (University of Fribourg, current president)**, **Prof. Christine Peinelt (University of Bern, president-elect)**, and **Prof. Thomas Lutz (University of Zürich, vice-president)** of the LS² section Physiology.

Plenary speakers of the meeting will be **Ralf Brandes** (Vascular Research Centre. Frankfurt am Mainz. DE) and **Miriam Stoeber** (University of Geneva. CH).

The meeting creates the perfect setting for intimate and stimulating interaction between PIs, the academic offspring, and representatives of the companies.
