Annual Swiss Proteomics Meeting

Program Swiss Proteomics Meeting - Thursday 14 October 2021

10:00-10:30 **Welcome Coffee**

10:30-10:45 **Welcome - LS2 Proteomics Board**

10:45-12:30 **Oral Session I - Clinical Proteomics research**

Chairs: Lydie Lane (Swiss Institute of Bioinformatics) & Manuel Tzouros (Roche Pharmaceuticals)

10:45-11:30 **Keynote 1: Katrine Ter-Borch Gram Schjoldager - DNRF, Denmark**
"Exploring functions of protein O-glycosylation"

Katrine Ter-Borch
Gram Schjoldager

11:30-11:40 Oral presentation 1: **Marco Tognetti - Biognosys AG**

11:40-11:50 Oral presentation 2: **Konstantinos Kalogeropoulos - DTU, Denmark**

11:50-12:00 **Sponsor talk 1: Nicolas Autret - Covaris**

"Why a growing number of laboratories use AFA-energetics® for Proteomics"

Covaris

12:00-12:25 Flash presentation 1: **Andrés Lanzós - Biognosys AG**

Flash presentation 2: **Elena Barletta - Swiss Institute of Bioinformatics**

Flash presentation 3: **Sandra Goetze - ETH Zurich**

Flash presentation 4: **Christopher Below - Biognosys AG**

Flash presentation 5: **Chia-wei Lin - FGCZ UZH/ETH Zurich**

12:30-14:00 **Lunch**

14:00-15:00 **Oral Session II - Protein Characterization**

Chairs: Alexander Leitner (ETH Zürich) & Paolo Nanni (Functional Genomics Center Zürich, UZH/ETH Zürich)

14:00-14:10: **Sponsor talk 2: Christof Mitterer - Pharmafluidics - "Highly sensitive and reproducible analysis of low sample amounts using a novel non-porous Micro Pillar Array Column"**

PharmaFluidics

14:10-14:20 Oral presentation 3: **Franziska Elsässer - ETH Zurich**

14:20-14:30 Oral presentation 4: **Maria Bikaki - ETH Zurich**

14:30-14:40 **Sponsor talk 3: Scarlet Koch - Bruker**

"Addressing the challenges of future proteomic trends"

14:40-15:00 Flash presentation 6: **Federico Uliana - ETH Zurich**

Flash presentation 7: **Cathy Marulli - ETH Zurich**

Flash presentation 8: **Fabio Sabino - Biognosys AG**

Flash presentation 9: **Joanna Dembska - Nestlé Research**

14 October 2021, Eurotel Montreux

Annual Swiss Proteomics Meeting

15:00-15:30 Coffee Break

15:30-16:45 Oral Session III - Immunopeptidomics and Cancer

Chairs: Bernd Wollscheid (ETH Zürich) & Michal Bassani (University of Lausanne)

15:30-15:40 Oral presentation 5: Luca Räss - Biognosys AG

15:40-15:50 Oral presentation 6: Anne Kraemer - University Hospital Lausanne

15:50-15:55 Flash presentation 10: Xiaokang Li - CHUV

15:55-16:05 **Sponsor talk 4: Quentin Enjalbert - PreOmics** - "New School tissue Homogenization: PreOmics prerelease exclusively to LS2 community"

PREOMICS

16:05-16:50 **Keynote 2: Bernd Bodenmiller - UZH/ETHZ** - "Highly multiplexed imaging of tissues with subcellular resolution by imaging mass cytometry"

Bernd Bodenmiller

16:50-17:00 **Awards - sponsored by MsWil / Bruker / Shimadzu**
Closing remarks - LS2 Proteomics Board

17:00-19:00 **Farewell aperitif - sponsored by Biognosys**
