# Annual Swiss Proteomics Meeting

## Summary

The section Proteomics of Life Sciences Switzerland (LS<sup>2</sup>) organizes the Annual Swiss Proteomics meeting for the 5th time in 2021 (*cancelled in 2020*). The meeting brings together life scientists interested in proteomics research from all over Switzerland.

The focus of this meeting is to create a familiar and friendly framework where new developments in the field of proteotype research will be disseminated, providing ample opportunity for scientific exchange and networking.

The event will take place in the beautiful surroundings of Montreux, a perfect setting for an intimate and stimulating meeting. The cafe breaks and lunch time will be the social highlights of this conference.

*In case of cancellation due to the pandemic, all sponsoring will be refunded.*
