## Autophagy in Health and Disease

### LS<sup>2</sup> Autophagy Workshop 2022

16 September 2022

Lausanne

Department of Fundamental Neurosciences  
University of Lausanne  
Rue du Bugnon 9, 1005-Lausanne

The [section Autophagy of Life Sciences Switzerland](#) organizes a **biannual Autophagy Workshop** with the objective of promoting exchanges and **discussions around new techniques** recently developed to study autophagy. With national and international renowned scientists in the field, the workshop has a special focus on **supporting young talents** and the development of a network of national scientific collaborations. The workshop will allow young researchers to exchange ideas, skills and create new scientific connections in an informal setting.

Any other sponsorship offer is welcome to be discussed

**All prices listed excl. 7.7% VAT**

All material should be provided by the company and sent to the venue in advance. All sponsors will be mentioned with their logo in the welcome and closing remarks by the meeting chairs. All company logos will be on the website and printed program.

*\*Those are cash prize given directly to the winner of each category. The prize will be called as the company's name. The logo of the sponsor will be showed in social media together with the announcement of the winners after the conference. The executive committee of the LS2 Section Autophagy reserves the right of splitting the prize between two winners if the scores are equal.*

*With kind regards on behalf of the Autophagy organizing committee*
