SPONSORSHIP BOOKLET

Summary

It is our pleasure to welcome you to the Swiss Physiology & Ion Channels and Membrane Transporters Joint Meeting 2023 which combines two LS^2 sections!

The one-day meeting will take place in the main building of the University of Bern – UniS (Lecture hall A 003, Schanzeneckstrasse 1, 3012 Bern) on the 6th of September 2023 and will be chaired by **Prof. Christine Peinelt** (University of Bern) - president of the LS^2 section Physiology, and **Prof. Hugues Abriel** (University of Bern) - president of the LS^2 section Ion Channels and Membrane Transporters (ICMT).

As in previous editions, one of the highlights will be the Young Investigator Award by the "Stiftung Physiology" (former Oetliker Foundation) for the best posters & best talks!

The focus of this meeting is to create a familiar and friendly frame where new developments in the field will be disseminated, providing ample opportunity for scientific exchange and experiencing new techniques. The meeting creates the perfect setting for intimate and stimulating interaction between PIs, the academic offspring, and representatives of the companies.

We are looking forward to a great meeting with fruitful scientific discussions!

Prof. Christine Peinelt and Prof. Hugues Abriel
