

Program

Thursday, June 20th, 2024

- 12:00-13:00 **Registration opens. Welcome coffee and small snack.**
- 13:00-13:05 **Welcome – Michal Bassani (CHUV) & LS² Proteomics Board**
- 13:05-14:35 **Oral Session I**
- 13:05-13:50 **Keynote 1:**

Dr. Kirti Sharma (Kymera Therapeutics, Boston)
“Leveraging mass spectrometry proteomics to advance TPD based degraders from early discovery to clinic”.
- 13:50-14:35 **Oral and Flash presentations**
- 14:35-15:10 *Coffee Break*
- 15:10-16:10 **Oral Session II**
- 15:10-16:10 **Oral and Flash presentations**
- 16:00-16:10 **Sponsored talk**
- 16:10-16:45 *Coffee Break*
- 16:45-18:00 **Oral Session III**
- 16:45-16:55 **Sponsor talk**
- 16:55 – 17:20 **Oral and Flash presentations**
- 17:20 – 18:00 **Career Development – panel discussion**
- 18:20-18:30 **Group picture**

18:30-19:30

Apéro (upon registration only!)

19:30-22:00

Dinner in the conference hotel (upon registration only!)

Friday, June 21st, 2024

08:00-9:30

Workshop (upon registration only):
"How can proteomics drive drug development?".

Confirmed panelists:

Andreas Hoffman (Novartis)

Debora Bonenfant (Monte Rosa Therapeutics)

Manuel Tzouros (Roche)

Kirti Sharma (Kymera Therapeutics)

09:30-10:30

Oral Session IV

09:30-10:20

Oral and Flash presentations

10:20-10:30

Sponsor talk

10:30-11:05

Coffee Break

11:05-12:45

Oral Session V

11:05-12:00

Oral and Flash presentations

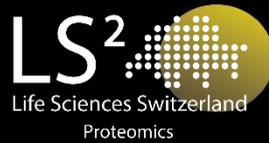

12:00-12:45

Keynote 2:

Dr. Fabian Coscia (Max Delbrück Center for Molecular
Medicine, DE)

"Spatial tissue proteomics to assess health and disease".

Swiss Proteomics Meeting 2024
Yverdon-les-Bains - 20 & 21 June 2024
Grand Hotel & Centre Thermal

12:45-13:00

Awards and closing remarks.

12:45-12:55

Best oral presentation prize & best flash talk prize

12:55-13:00

**Closing remarks – Michal Bassani (CHUV) & LS²
Proteomics Board**

13:00-14:30

Farewell Lunch (upon registration only!)

14:30-15:30

LS² Proteomics Board Meeting
