

SWISS PHYSIOLOGY MEETING 2016 UNIVERSITY OF FRIBOURG

SPONSORSHIP BOOKLET

6. September 2016
UniFr, Department of Medicine/Physiology

Summary

The section Physiology of Life Sciences Switzerland organizes the Swiss Physiology meeting. This traditional meeting brings together physiologists from all over Switzerland and highlights research conducted by young physiologists with the awarding of the prestigious Oetliker Prizes combined with travel fellowships.

The focus of this meeting is to create a familiar and friendly frame where new developments in the field will be disseminated, providing ample opportunity for scientific exchange and experiencing new techniques.

The one-day meeting will take place at the physiology department of the University of Fribourg, chaired by **Prof. Demaurex** (University of Geneva), president of the section Physiology. The meeting creates the perfect setting for intimate and stimulating interaction between PIs, the academic offspring and representatives of the biomedical industry.
