

Sponsorship Booklet

The LS² Section Proteomics is organizing the **9th Annual Swiss Proteomics Meeting 2025 on May 15-16**. With two half-day programs (+ workshop), the meeting brings together life scientists interested in proteomics research from all over Switzerland. The focus of this meeting is to create a **familiar and friendly framework where new developments in the field of Proteomics research will be disseminated**, providing many opportunities for scientific exchange and networking.

The event will take place again in the beautiful surroundings of **Ägerisee**, a perfect setting for an intimate and stimulating meeting. The cafe breaks, lunchtime, dinner and Apéro are the social highlights of this conference.
