

September 4-5, 2025, Bern

Institute of Tissue Medicine and Pathology, Inselspital, Bern

# 13<sup>th</sup> SWISS APOPTOSIS & AUTOPHAGY MEETING (SA<sup>2</sup>M)

Organized by Thomas Kaufmann,  
Mario Tschan & Thomi Brunner

Institutes of Pharmacology and ITMP, University of Bern (CH)  
Department of Biochemical Pharmacology, University of Konstanz (DE)

## Confirmed Speakers:

**Ivano Amelio** (University of Konstanz), **Natalia Baran** (Bern University Hospital Inselspital), **Petr Broz** (University of Lausanne), **Nikolai Engedal** (University of Oslo), **Anna Garcia-Saez** (Max Planck Institute of Biophysics, Frankfurt am Main), **Philipp Jost** (University of Graz), **Alexis Jourdain** (University of Lausanne), **Inna Lavrik** (University of Magdeburg), **Seamus Martin** (Trinity College, Dublin), **Maurizio Molinari** (Institute for Research in Biomedicine, Bellinzona), **Raja Prince** (University of Bern and co-founder BleedNFire, Bern), **Jean-Ehrland Ricci** (Université Côte d'Azur, Nice), **Uris Ros** (Max Planck Institute of Biophysics, Frankfurt am Main), **Martin Sadowski** (University of Bern), **Jean-Emmanuel Sarry** (University of Toulouse), **Tom Vanden Bergh** (University of Antwerp)

Active participation of PhD students, postdocs,  
and young investigators is highly encouraged!

This is a fantastic opportunity for early-career  
scientists to showcase their research through  
short oral presentations and posters, as well as to  
network with experts in the field.

Satellite  
Symposium on  
concepts and methods  
in programmed cell  
death, metabolism and  
autophagy

Major topics: Apoptosis, Metabolism and Autophagy  
Cell Death/Autophagy and Immunity  
Cell Death/Autophagy and Cancer

 **scnat**  
swiss academy of sciences

  
Life Sciences Switzerland  
Autophagy

Registration is FREE, but mandatory!  
Deadline: August 10<sup>th</sup>, 2025
